You are Lone Wolf – the last Kai Master of Sommerlund. Following your discovery of *The Book of the Magnakai* you have vowed to restore the Order of the Kai to their former glory. To achieve this, you must find the Lorestone of Varetta, a treasure which contains the secret powers of your warrior ancestors.

In *THE KINGDOMS OF TERROR*, you must follow a trail of ancient clues that will take you deep into the hostile Stormlands, where war, treachery, and intrigue will conspire to defeat your quest. Choose your weapons and your skills with care – the future of your country depends on it!

The LONE WOLF adventures are a unique fantasy game book series – each episode can be played separately or you can combine them all to create a fantastic role-playing epic.

The Kingdoms of Terror

YOU are Lone Wolf—the last Kai Master of Sommerlund.

Civil war rages in Helgedad where your mortal enemies—the Darklords—struggle for control of the Black City. You have vowed to restore the Kai to their former glory and now seek the Lorestone of Varetta, a treasure that holds the power and wisdom of your warrior ancestors.

You follow the path of the first Kai Grand Master, a path that takes you deep into hostile lands. But your quest is a race against time, for the Darklords will be hot on your heels as soon as they have crushed the unrest in their city. You must make haste!

Choose your skills and weapons with care—the future of your country depends on it! If you survive, you may use them in further adventures.
